Key Milestone Dates

Effective Date: 2020/02/07

*Milestone dates are subject to change based on business and operational conditions.

Customer Impact of Change and Recommended Action:

Innodisk anticipates no negative impact to customer's application.

It is strongly recommended that customer(s) shall upgrade the firmware to K19C18 as it is considered as a critical change.

We also provide FW upgrade tool for on-field FW upgrade, please contact FAE team for further support.

Notes:

No response from customers will be deemed as acceptance of the change and the change will be implemented pursuant to the key milestones.

Innodisk apologizes for any inconvenience caused by this and appreciate your understanding.

Innodisk promises that new items deliver quality and reliability for your application. If you have any further inquiry of our products or if you have any question about the specification of it, please contact Innodisk sales person.

Thank you for your confidence in Innodisk in the past and looking forward to serving you in the near future.
