

ORing Industrial Networking Corp.

ORing Product EOL Notice

Issue date: 2026/Jul./31th

Phase-out Model : All 2000 & 3000 Series

Dear Valued Customers and Partners,

Thank you for your continuous support and trust in ORing products. As part of our commitment to providing you with the most reliable and secure industrial networking solutions, we are writing to inform you of an important lifecycle update regarding our **2000 and 3000 Series** products.

To help you plan for a smooth transition, we have provided an attached table that includes the recommended replacement models along with their **estimated Release Dates**.

If you have any questions regarding your final inventory planning or require technical assistance for migrating to the new platforms, please do not hesitate to contact your dedicated ORing sales representative. We are fully committed to supporting you through this transition.

Thank you for your understanding and continued partnership.
Sincerely,

www.ORingnet.com
